MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with Dr. Brzezinski, 18 April 1978

3. I presented the following materials:

a. I delivered a memo on the Clark Amendment and said that our evaluation was that the Clark Amendment would require us to go and get a positive authorization from the Congress before starting any support to [redacted] He directed me to go ahead now with the approach to Bayh and Boland that was directed at the last SCC meeting, but then held in abeyance--i.e., to explore the possibility that we could get the legislation through the Congress to provide some support.
